

# SCAMANDER RIVER BUS TOUR

Saturday 27<sup>ND</sup> FEBRUARY 2016

9am Scamander Surf Lifesaving Club, Dune St.

*1000s of fish died in this famous black bream river last winter. Water testing detected low oxygen levels, probably due to exceptional natural conditions.*

Join University of Tasmania researchers on this free tour of the river and BBQ lunch .

- Learn about the estuary's natural systems and how they work
- Water quality testing demonstration
- Discuss what can be done to look after the river and its fish better

Book for a seat on the bus and lunch - numbers are limited. Dress safely for the outdoors. Finishes about 2pm.
