

The difference is clear! 4 inch Gulp Nemesis New Colours

4 new colours make their into the 4 inch Gulp! Nemesis range. The clear translucent finish in Clear Purple Shimmer, Clear Red Black Silver, Clear Green Silver and Clear Lavender Pearl Holo is going to prove deadly on all manner of species.

Combine the fish catching profile of a Jerkshad and the enticing tail action of a grub and you get the Berkley Nemesis. Designed in Australia the Nemesis shape is now available in a 4" size. The tail action of this shape has to be seen to be believed. On the drop or on the

wind, the Nemesis tail swims at the slowest of speeds delivering continuous lifelike action. Each Gulp! Nemesis is also loaded with Berkley's exclusive GULP scent and flavour formula, a powerful water based scent dispersion system that also makes Gulp 100% biodegradable.

- 100% biodegradable and made of 100% natural ingredients.
- Gulp releases 400 times more scent than plastic baits.
- Gulp is available in a huge range of shapes and sizes.
- Gulp has been proven effective on just about every Australian species of fish.
