

Community Fishing Forums 2013

Want to Know More about Tasmania's Fisheries?

WHAT:

- Talks on Tasmania's recreational and commercial sea fisheries including the key species, gear, research and management.
- Panel/audience session: *What is a reasonable recreational catch?*
- BBQ with light snacks (6 -7 PM) with demonstrations on setting up gear and targeting your catch, fish handling and filleting fish to make the most of your fish.

Panel: Rod Pearn & David Jarvis (DPIPWE), Mark Nikolai (Tasmanian Association for Recreational Fishing (TARFish)), Julian Harrington (Tasmanian Seafood Industry Council) and other guests. Local Fishcare volunteers, Recreational Fisheries Advisory Committee and local fishing gurus will be present.

WHERE AND WHEN:

- **St Helens:** Monday 18 March - Meeting Room, Back of Portland Hall, Cecelia St
- **Launceston:** Tuesday 19 March - DPIPWE Offices, Mount Pleasant Laboratories, 165 Westbury Rd
- **Devonport:** Wednesday 20 March - DPIPWE Offices, Rundle Rd, Stony Rise
- **Forums in the south** may be held at a later date.

Forums are from 6 to 9 PM. Talks and discussion start at 7 PM.
